As such, the Proponent has not placed the following claims in a class. The treatment of these claims is provided below.

1. Administrative Expenses and Fees

Administrative expenses are claims for costs or expenses of administering the Debtor's Chapter 11 case which are allowed under Code Section 503(b). Fees payable to the Clerk of the Bankruptcy Court and the Office of the United States Trustee were also incurred during the

Chapter 11 Case. The Code requires that all administrative expenses be paid on the Effective Date of the Plan, unless a particular claimant agrees to a different treatment.

Court Approval of Professional Compensation and Expenses Required:

The Court must approve all professional compensation and expenses. Each professional person requesting compensation in the case pursuant to Sections 327, 328, 330, 331, 503(b) or 1103 of the Bankruptcy Code shall file an application for allowance of final compensation and reimbursement of expenses not later than ninety (90) days after the Confirmation Date. Nothing herein shall prohibit each professional person from requesting interim compensation during the course of this case pending Confirmation of this Plan. No motion or application is required to fix fees payable to the Clerk's Office or the Office of the United States Trustee, as those fees are determined by statute.

2. Priority Tax Claims

Priority tax claims are certain unsecured income, employment and other taxes described by Code Section 507(a)(8). The Code requires, and thus this Plan provides, that each holder of such a 507(a)(8) priority tax claim receives the present value of such claim in deferred cash payments, over a period not exceeding six years from the date of the assessment of such tax.

There may need to be a separate class for different categories of Non-Tax Priority Claims since they may receive different treatment under the Plan. See 11 U.S.C. § 1129(a)(9)(B)(i) and (ii). Insert chart appearing in Disclosure Statement and state whether each Class of Non-Tax Priority Claim is impaired or unimpaired.

A class of Creditors shall have accepted the Plan if the Plan is accepted by at least two-thirds in the aggregate dollar amount and more than one-half in number of holders of the allowed Claims of such class that have accepted or rejected the Plan. In the event that any impaired class of Creditors or Interest holders shall fail to accept the Plan in accordance with Section 1129(a) of the Bankruptcy Code, the Proponent reserves the right to request that the Bankruptcy Court confirm the Plan in accordance with Section 1129(b) of the Bankruptcy Code.
